# KME Fire Apparatus

## Open House

You are cordially invited to KME West's Open House. Come see and test drive some of KME's recently delivered fire trucks - including a pumper with the Maxxforce 13 475 HP Motor; the **only** 2010 EPA Emissions NON-UREA Motor!

Learn about outstanding new apparatus purchasing opportunities using KME's current open contracts.

Learn about special local grant opportunities for new apparatus with the Air Quality Management District program.

Also visit our exciting vendor displays with products and information from:

**TRI MAX**  
**FRC**  
**AKRON**

**WHELEN**  
**STIHL**  
**NEMAR**

**TROY**  
**FEDERAL SIGNAL**  
**... And Many More!**

This event will be catered with complimentary food and beverages, so please come hungry!

We look forward to seeing you here! Please RSVP by sending an Email to [mvargas@kovatch.com](mailto:mvargas@kovatch.com) or call (909) 937-3326 and ask for Monica Vargas.

KME California Branch  
5400 E. Jurupa Street  
Ontario, CA 91761
