**Friday October 21, 2011**  
**8:00 a.m. - 2:30 p.m.**

KME is pleased to invite, for one day only, Southern California fire mechanics to join us for a one day training session covering Stemco and Kaiser's Total Quality Maintenance (TQM) Programs, including:

### Stemco/Kaiser's TQM Program for King Pin Installation.

"Hands on Clinic" will cover the following topics:

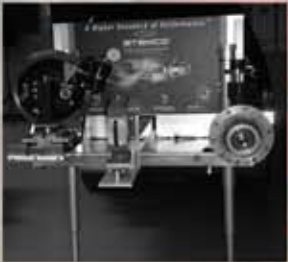

- King Pin maintenance needs
- King Pin removal and replacement
- Failure Analysis
- King Pin choices & Lubrication

### Stemco's TQM Program for Wheel Ends.

"Hands on Clinic" will cover the following topics:

- Wheel End Disassembly and Inspection
- TMC bearing adjustment procedures
- Failure Analysis
- Bearing & Race installation and removal
- Lubrication & Final check

### Stemco's TQM Program for Brake Foundation.

"Hands on Clinic" will cover the following topics:

- NHTSA Stopping Distance Rule & CSA 2010 Initiative
- Brake Certification Information & Paperwork
- Brake drum inspection and wear causes
- Brake foundation parts tear down & inspection and more.

KME will be providing lunch. Please contact Monica Vargas before October 7th to reserve your spot, class size is limited. (800) 328-1033 or (909) 937-3326.
